'GREATER' CITIES OF CANADA

'GRANDES' CITES DU CANADA

For Census purposes, the Greater Cities indicate those cities which have well-defined satellite communities in close economic relationship to them. This bulletin presents final population figures of the 1941 Census for each of the Greater Cities having a population of 100,000 and over for the city proper. The populations of the satellite communities included in these Greater Cities are shown also. Figures from the 1931 Census are given for comparative purposes.

Pour fins du recensement, les Grandes Cites sont celles qui ont des communautés satellites bien définies avec lesquelles elles sont en étroite relation économique. Ce bulletin présente les chiffres définitifs de la population au recensement de 1941 pour les Grandes Cites qui comptent en propre 100,000 habitants et plus. La population de chaque communauté satellite comprise dans ces Grandes Cites est aussi donnée. Les chiffres du recensement de 1931 sont aussi donnés pour fins de comparaison.
